# Cross Country

The 1979 Boys and Girls Cross Country Teams enjoyed very successful seasons.

The Girls Team, led by Patty Sanborn, Patti Jo Majka, and Betsy Scott, was second in the Burlington Invitational and first in the So. VT Championships. Patty Sanborn and Patti Jo Majka qualified for the New England Championships.

The Boys Team, led by senior Peter Fenn, was in a rebuilding year. Fenn was undefeated in VT competition, eleventh in the 1400 runner Pinney Shoe Race, and eighth in the New England Championships. He was backed this year with fine performances from Mike Carmolli; Dan Anderson; Kirk Peebles; Pete Carmolli; and Matt Rushford, all of whom will be back next year.

The 1979-80 Raiderettes' had an 11-9 record overall and 11-6 in the Central Vermont Girls' Athletic League. The team won only 3 of their first 8 games, but then settled down and played the last 11 games with only 4 defeats.

Senior Kerry Valente Co-captained many talented underclassmen such as Juniors Lori Clark, Patty Sanborn, Lisa Loprete, Judi Laird, Deanne Cookerow, and Carole Marotti. Sophomores Barb Lougee, Darlene Janoski and Kim Baitler should provide good leadership for Rutland in the years to come. With Seniors Valente, Marie Parker, and Co-captain Daze Stacey the only players graduating, next year a bright future seems sure.

The 1979-1980 ski season was extremely frustrating for the members of the R.H.S. ski team. Mother Nature decided not to give her usual abundance of snow, therefore limiting participation in cross country and cancelling the entire jumping schedule. The Alpine team was able to complete its entire schedule thanks to the management of Pico and their snowmaking ability.

Although limited snow conditions hampered practice and competition our cross skiers did extremely well. Leading the girls' team this year was senior Betsy Scott, followed by her sister, Sharon, with senior Kim Thomas showing tremendous improvement. Freshman Denise Poplawski is sure to be a good one in the future.

The boys were led by Junior Kevin Murphy followed by his brother Brian, with Peter Carmolli showing steady improvement.

Things were brighter for the boys and girls Alpine teams because of the manmade snow. Ann Higgins was again the best female racer in the South, if not in the state. Wendy Goldman was consistently in the top six finishers.

The boys were led by sophomore Ben Clark and junior Shawn McCarthy. The other members of the Alpine squad doing very well were Luanne Ackey, Betsy Jenkins, Debbie Poplawski, Robin Tobin, and Kelly Graf. Rob Crowley, Dave Crowley, John Clark, and Ted Millspaugh did a nice job for the boys.
